We are grateful for the friendship that Clyde & Bob shared in the Navy and renewed in 1996 while working together on the Mormon Wagon-train Reenactment. “ My husband, Ralph, and I grew up in Las animas and Ralph graduated from Bent County High School with Sarah, Jim and Fred. We were saddened to hear Bob had passed away, I remember both families with fondness and I remember when Bob and Sarah were married. We send our sympathy and love.

“ As Santa Fe Trail Day Queen candidate for the sophomore class of Las Animas High school in 1965, I had the privilege of being escorted by Bob Lowe, then President Lowe, La Junta Branch of the Church of Jesus Christ of Latter-day Saints, in a horse drawn carriage. I remember that day with such special memories. I also had the privilege of babysitting Brenda and Bonnie occasionally during my high school years. Such a special person whom I am sure will be greatly missed by his family and friends. My mother, Betty Cunningham Wilbur also sends her condolences to the family. With our love,

“ When you work close with someone like I did with Bob, I really got to know him really well. Even when you ride in the same vehicle like I did to Colorado a few times as well as back and forth to Mt. Charleston, NV more times than I can count, you really got to talk one on one. Even though sometimes I had to start the conversation, I learned a from you Bob and I will miss you a lot We will be together in the next life. -

“ How does one thank the man in manner fitting enough to equal in any small way for the blessings he bestowed on me. This giant of a man took "green horn" me and fulfilled every kids dream, (at least of my generation anyway), Bob Lowe let me be a Cowboy. Not only that, he taught me HOW to be a Cowboy. He took me in to his family, yet another blessing bestowed, and gave me experiences and memories and family that until the I die will live fully in my heart.

" I Love You Boss, and when you get a minute on the other side, give the boys a handful of grain for me would ya".

“ Mr. Bob Lowe, and I say Mr. reverently because he was a nice fellow and always a gentle man and a gentleman. He was a very good friend to my dad and my uncle while working together professionally in their agricultural professions, while setting up and proficiently making great memories in their 1950's throughout 1970's Colorado mountain hunting camps, and while Bob and my dad took time out of their busy schedules to take their wives and their 8 small kids camping together with both families in the early to mid 1960's, as we gathered wonderful memories to treasure always.

It was always a joy to see Bob, Sarah, and their 4 kids pull into our yard when the Lowe family was in our Southeast Colorado area, or when we'd stop off in Alamosa, Colorado to see them. It always felt like very little time had passed since the last visit and always so neat to catch up!

That friendship time was an experience that I've rarely experienced since in my life so I've come to treasure and be so very grateful for it.

When my dad passed, Bob said that Dad was one of the finest men to ever come down the Pike and that my Dad's word was his bond. Those were very comforting words for my grieving heart, yet as we tell Bob goodbye, I realize that Bob knew what he was talking about because Bob gently, yet strongly lived the same code as my Dad. Both men served and honored their country and their, precious to them, families.

Dad had so many Bob Lowe stories that he told with a smile and an easy to feel admiration on many family occasions. That was high praise from my dad for Bob Lowe.

Bob Lowe, his light will shine brightly forever in the hearts of the Scranton family! He is deeply missed, but will never be forgotten!

Love, Hugs, and prayers to you, dear Lowe family!
