“ Dad as my 34th birthday gets closer I keep wonder How I'm I going to live my life without you. The emptyness that I feel inside is unbearable. I miss you dad. I know it will get easier but right now I can't imagine it will ever get to that point. But I have to be strong. For mom and my brothers. Love you and miss you.

“ Ever since I got the news of your passing it has been so hard. You where the one person everyone could lean on if they had a problem including me. Knowing you wont be there to give me advice like you always did with those long talks will be the hardest.

I Love you dad. Miss you so much.
