

Roylene Lunt

August 21, 1955 - June 9, 2016

Roylene Cooper Lunt (60) of Provo finished her earthly mission and was greeted by the loving arms of her Father in Heaven and her beloved husband Mark on Thursday, June 9, 2016.

She was born on August 21, 1955 in Idaho Falls to wonderful parents Roy and Betty Cooper. She grew up on the family farm where she learned the value of hard work and a love of animals, especially the sheep she raised. She met her eternal companion Mark Lunt at BYU in 1976 and they were married in the Idaho Falls Temple. They raised their family in Provo.

She served in many callings in the church in Relief Society and Young Women presidencies but she loved teaching Primary the very best. One of her greatest missions in life was taking care of her big brother Kay for many years. Her most important accomplishment was her children and grandchildren. She was so proud of her three sons who all served honorable missions for the Church of Jesus Christ of Latter-day Saints. She was a fun and dedicated grandma. She considered her granddaughters as some of her very best friends. She knew and loved her Savior and he carried her through the last few years that were difficult as she bravely battled cancer.

Roylene is survived by her children, Dustin (Brittanie) Lunt, Jake (Kayla) Lunt, Natalie (Brian) Tooley, and Cameron Lunt, 10 granddaughters and 2 grandsons, siblings Judy (Harlow) McNamara, Van (Janice) Cooper, Rob Cooper, and Tim (Gina) Cooper, mother-in-law Carma Lunt, brothers and sisters-in-law, numerous nieces and nephews, and her faithful dogs, Bear and Sophie. She was preceded in death by her husband, Mark, her parents, her brother Kay, and her father-in-law Doug.

The family would like to give special thanks to IHC Hospice, the Sunset 10th ward for their love and many acts of kindness, and to Dr. Steven Wallentine and his staff at Revere Health for their excellent care and concern. You are all greatly appreciated!

Friends and family may call on Friday evening, June 17, 2016, at the LDS Sunset 10th Ward Chapel, 1402 South 570 West in Provo from 6:30-8pm and again on Saturday, June 18, 2016 from 10-10:45 a.m. prior to the services at 11:00. Interment in Bountiful City Cemetery.

“ Roylene was one of the great ones. She made everyone feel welcome and loved. Her positive attitude was contagious. Her strength was inspiring. She will be missed!

“ My heart is heavy as I write about Roylene. I grew up in the neighborhood and Roylene was my young women's leader but more than that she was a friend. She made me laugh and helped me see the humor in life and people. Roylene had a big big heart. She had a warmth and genuine kindness. She treated me like her own daughter and always gave me hugs. She was a true Christian with a capacity to love that was unconditional. She inspired me in my youth to smile and inspires me now as an adult to appreciate and love those I am blessed to have in my life. You will be missed Roylene and your example and smile not forgotten. Thank you for being you!!

“ It is never easy when we lose someone that we love. I didn't get to know Roylene as much as the rest of you, but I got to see her teachings through her wonderful daughter, Natalie who was married in the temple to my son, Brian. Natalie is raising a family of 5 children who all loved Grandma Lunt very much and if I could send a message to Roylene it would be :
On Angel's wings you were taken
But in my heart you'll stay
And in God's light you will rest
Until we meet again some day.
My thoughts and prayers are with all of you Nat's mother-in-law Judith

“ Right after serving in NYNYN mission with Jake back 2002, I started my freshmen in BYU. Being a foreign student without any ties or friends in cougar town, Roylene and Mark took me in, gave a stranger like me a warm shelter and food for 3 months. They're truly like angels sent from heaven. Throughout the years Roylene continues to show me what it means to put our faith in our Savior and trust in the hands of God in trials and tribulations. She'll be missed

“ I was Roylene's fifth grade teacher in Ucon, Idaho during the 1965-66 school year. I taught four years in Bonneville District from 1964-1968, and then moved to Orem and taught 30 years in Alpine School District. Memories of Roylene still bring happy thoughts of a wonderful time in my life. I have copied a page from our yearbook from that school year and will share it with you at the viewing on Friday evening.

“ Mark and Roylene were across the street neighbors for 13 years. Loved them both. We had some fun years raising our children. She was so strong and still saw the Lord's hands in all she was asked to endure. She loved her family and loved her Lord. I am so blessed for having such great examples of Christ like people as our neighbors and friends. I am happy Mark and Roylene are together again and can continue now with preparing the way for their family. Love you guys thanks for the memories.

“ My family knew her as our crazy Aunt Roylene because she was not related by blood, but by love. She is our moms dearest friend from childhood and we love her and her family dearly. We already had an aunt named Roylene, but because of Roylene Lunt's fun over the top personality she told us when we were little we could dub her our Crazy Aunt Roylene.

Everytime I saw her she greeted me with the biggest smile followed by the tightest hug. One things for sure, she was never shy. She loved spreading joy and laughter to anyone around, even if you were a complete stranger she was willing to share something personal that could put a smile on anyone's face. She had a laugh that was contagious and that will never be forgotten. I will never forget her sweetness and energy. She had a love for life and the gospel. She was always positive and ready to encourage those around her.

Her care, love, and patience for her brother Kay has always been a testament to me in my life. And I appreciate the example she has set for me, and the encouragement she has always given me with my little ones.

So sorry that I will not be able to attend her funeral services. Sending my love to her family, praying for you all. Thank you for sharing your mom with me!

“ I lived next door to this amazing strong friendly woman for 10 years. We spent 100's of hours on our porches talking, crying, gossiping and laughing. She was an angel when my mom died she checked on me for days. She will be truly missed by the entire Shaw family. There isn't one of us who didn't love her. We all have grown up right next door to each other for over 30 years and at times were just like family. We love the kids and grand kids so much and our thoughts, prayers and sympathy go to each one of you. Lots of love Brenda Shaw. XXOO

“ I am shocked. I grew up "next door neighbors" to Roylene. "Next door" for us was a mile apart. Just last night we talked about her and had no idea she had passed away. She was always cheerful and full of life. I am so sorry to hear that she lost her husband and has been battling cancer. I would like to know more about her life the last several years. We knew she had dedicated many years in taking care of Kay. I send love to the Cooper and Lunt family. I loved Roylene. I can imagine her voice right now.

“ Dear Cooper and Lunt families,

“ I worked at Franklin Grade School with Roylene. We also lived in the same Stake but it was when we were both at Franklin that I really got to know Roylene. She was always full of smiles and upbeat. She was a lot of fun and she loved the kids and her co-workers. We all loved and respected Roylene. What a neat lady she is. God Bless her family as they mourn the loss of their mother, grandma, sister, and auntie. She will be missed.

“ I worked with Roylene at Franklin Elementary School. She called herself my other mother and always looked out for me since I was living far from my family. I can still picture her face and hear her voice saying, "listen to your mother!" She was wonderful to be with and I will always love and miss her.

“ Roylene, my friend and such a great friend to my dad. They were cancer buddies and relied on each other during their struggles. Roylene has always been there for me, she has treated my like a sister, a mother, a friend. I love her. I'm sorry to her family.

I know she is smiling. I also adore her dog Bear!!! he helped her emotionally and became her constant companion.

I know what my dad (Leroy Davis) said is true-- " Heaven will be double wonderful" He said those words to Roylene and me before his passing.

I will miss your smile and laugh, and your voice. You are one of a kind.

“ I love Roylene and miss her. As I spent time with her during her first fight with cancer and then the death of Mark, those were tender moments in which we drew close. She always referred to me as her brother, and that meant a lot to me. I am sad to be so far away and unable to be present for the service. I am grateful to have the chance to remember her in this way. God bless all of you. John Bell
