

Sarah Aalders Allart

July 3, 1991 - May 25, 2017

Sarah Noel Aalders Allart returned home to her Heavenly Father unexpectedly, from natural causes, in her home on Thursday, May 25, 2017.

Sarah was born July 3, 1991, in Salt Lake City, Utah, to Tim and Lorrie (Halls) Aalders. She has two younger brothers that she loved and adored; Brandon and Ethan.

Sarah met and married the love of her life, Aise Allart. They were married and sealed for time and all eternity in the Salt Lake City Temple on May 7, 2016. Though it was a short year, it was the best year of both of their lives. They are eternal soul mates.

Since she was young, she had a strong love for animals that has continued throughout her life. She leaves behind her precious pet family including 2 dogs and 4 cats. (Channing, Kovu, Callie, Kona, Storm, Vader)

Sarah loved life, her family, her friends and her co-workers. She was always smiling and happy. She loved her cell-phone and loved to text and post on Facebook. Sarah was the selfie expert, always making sure to take photos of everyone with her at any and all events. She looked forward to the yearly "Girls Trip" to Tuacahn. She enjoyed working for the family business and keeping things organized.

She will best be remembered for her sense of humor, outgoing smile, take charge attitude, strong will, open and forgiving heart, passion for the people that she loved; especially her younger cousins, inability to leave an animal behind, love of telling stories, having pink and purple hair before it was trendy and being involved in every aspect of everyone's lives.

Sarah is survived by her husband Aise Iosefa Allart, her parents Timothy Noel and Lorrie R. (Halls) Aalders, her brother and fiancé Brandon Dale Aalders and Alina Faustine West and her youngest brother, Ethan Willem Aalders.

She was preceded in death by her grandparents Willem and Antonia Johanna (Frenay) Aalders.

“ Sarah holds a very special place in my heart. I came to know of her compassion and concern for others when one of my children, many years ago was going through a very difficult time. Sarah shined a light in our world when we desperately needed it . She had a gift of somehow knowing what others were feeling and made sure that no one ever felt alone! My heart hurts for your sweet family. I love you all!

“ While hiking in Zion's with the H15 YW, I became somewhat sick and was much slower than the rest of the group. Sarah noticed me struggling and stayed behind to keep me company. We had a very nice visit while we slowly walked up the long trail and I discovered her gentle soul and spirited personality. It was delightful to be with her that day and I will always think of her unselfish kindness to me. She is a shining, sweet spirit. I will miss her smile.
