

## Sherrie Ann Laidler

June 16, 1959 - May 31, 2021

Sherrie Ann Manning made the world a little bit more exciting when she entered this life on June 16, 1959. From the moment she was born she was full of spice and always enjoyed having fun and making people laugh. Sherrie was the middle child born to Claude Benjamin and Viola Mae Manning in Huron, South Dakota. She loved and adored her older brother Rusty and little sister Audra.

As Sherrie grew up she made friends easily and was always said to be the life of the party. From standing on billiard tables singing "Oh Sherrie" to dressing up with her friends as members of KISS, she kept life interesting and fun.

She eventually moved to Utah where she met and married Mark Laidler on July 2, 1982 in Orem. They had 3 children whom she loved watching grow and watch as they grew and began their own families. Her biggest joy was being a grandma to Zayne and Bowie and was excited to meet her newest grandson who is set to arrive this fall.

Sherrie loved working as the Utility Clerk for the city of Lindon for the past 17 years. She always said she worked with the best people and enjoyed what she did and that if she had to work she was going to make it fun for those she worked with along with herself.

Sherrie left this life suddenly leaving those who knew and loved her at a complete loss without the light she brought to their lives. She was greeted on the other side in the loving arms of her parents and brother Rusty. She is survived by her husband Mark, children Britni Laidler, Courtney (Adam) Harvey and Benjamin (Afton) Laidler; Grandchildren Zayne, Bowie and baby boy Harvey; and sister Audra (Cory) Jenkins.

She was a great friend, sister and daughter; but above all she was an amazing mother and will be greatly missed.

“ My sister Andrea and I were so honored and blessed to call Sherrie our lifelong best friend! Our sister-in-law Renee commented that her fondest memories are with Sherrie and we wholeheartedly agree. Sherrie was such a fun, lively, and beautiful soul and anyone that got to know her became instant friends! We all adored her and rightfully so. Sherrie especially loved her family and I know she will be present in each of their hearts, minds, and dreams! May you all find peace and comfort in the wonderful memories you have of her. Sherrie, we love and miss you so much!

“ To Audra and Sherrie's family,...I am so sorry that Sherrie was taken away from you. My thoughts are with you and pray for healing at this very sad time. We lived next door to the Mannings in Huron and I worked with her mom for years. Memories are forever.

“ I also worked at Lindon City and shared many fun moments with her. I will always remember how funny she was and her sweet laugh. She was a great friend to many people. I was so sad to hear the news that she had passed. RIP, Sherrie and may your family be comforted. Linda Agler

“ I grew up next door to the Manning's. Audra and I were best friends and were always in Sherri's stuff when we shouldn't be. I can still hear her yelling at us for getting into her things! Man did she have some lungs! Sherri was 10 years older than Audra and I, and let's just say she gave her parents a run for their money! I am so very sorry she was taken too soon! Jill Diede Arbogast

“ Sherrie, my friend. We were hired the same year to work at Lindon City and we survived it for 17 years. You always told me that you were ready to retire, when I retired. I remember the tears you shed when I had left Lindon City for the last time. I am so happy that I was able to be your friend and have so many fond memories of you, they will be in my heart forever. Praying for your family, may they be blessed with peace. Carolyn Shepherd

“ Mark, Britni, Courtney, Ben, Audra and families: wow. Stunned and so saddened by this unexpected news. My sister Terri and I were part of Sherrie's "high school tribe". Think this wonderful obituary describes Sherrie to a tee and I can't express my feelings any better than Renee did so I will just "second" her posting. I will share with you one of my favorite memories of Sherrie: It was one of the times when your family went to visit your grandparents in South Dakota and Sherrie & I made arrangements to meet and "catch up" at the Scoreboard Bar in Huron. You all were there too and Sherrie told me she said to your Grandma "yes mom. I'm taking them (you kids) to a bar. I want them to know what a Bar is and how to act in one!" That was your mama bear... forthright, to the point and she was going to do what she thought was best for her kids no matter what anyone thought!  
Praying for you all as you work your way through the grief of this devastating loss.
