

William Golden Taylor

September 7, 1958 - August 3, 2019

William Golden Taylor, 60, of Orem, Utah passed away August 3, 2019 following a short battle of pneumonia. He was born September 7, 1958 in Salt Lake City, Utah to Joseph Earl Taylor and Mary Collins Taylor. In 1977, he graduated from Tintic High School in Eureka, Utah. He graduated with honors and scholarships that allowed him to earn a B.A. in accounting. He was active in the High School Band playing the trombone. He also was active on the basketball team.

Will was a private and quiet person with a few select amazing friends. He toured the South America region with a highly-educated man, Dr. Seymore. During this travel, they dedicated a Library in Guatemala under the name of William Taylor.

Will met the love of his life Michelle Talley in Salt Lake City, Utah and married in 1988. The two of them made many memories with their canine children: Coco, Sugar, and Sam. The marriage later ended, however, they remained very close. Will and Michelle had a close friend Bob Downs who accompanied them on many family gatherings. Will was always a giver and made for sure his loved ones were taken care of without any condition. He always remembered birthdays for his loved ones with cards and money. Will was a simple man with a simple life and could stretch a dollar into ten. I often wonder if he learned that in accounting school or from his mother who did the same.

Will is survived by his ex-wife and loving friend Michelle Talley Taylor (Salt Lake City), sister Cindy Taylor (Lindon), brother Bruce Taylor (Orem). He had three nephews Chad Roberts, Jeff Roberts and Takoda Taylor. He also had two nieces, Sequoia Taylor and Chenoa Taylor. Will was preceded in death by his father Joseph Earl Taylor, mother Mary Collins Taylor and Sister Tammy Taylor.

A Viewing will be held Saturday, August 10th, at Utah Valley Mortuary, 1966 West 700 North, Lindon, Utah from 11:30 am to 1:00 pm. A Graveside Service will follow at 1:30 pm at the Orem City Cemetery.

“ Will, how I cherish the time we spent together. I want you to know you had several of your high school friends post comments on my facebook page within minutes of me posting you being in the hospital. Kevin Schow, Ronald Kirkham, Lisa to name a few. Kevin's wife commented on how you and Kevin were roommates the first to quarters at Southern Utah College you both were brilliant students. I am so grateful I was able to care for you for the year following your stroke.....We sure became close the way siblings should be. As kids we played army and Doctor and you took the part and I the nurse. I am glad I was able to nurse you as you recovered. That was 2013 how ;you were a fighter so much you had to relearn. I love you know you with are with loved ones. I am sadden that the obituary of your family and accomplishments were not posted on this site. I have my tribute to you which includes this that will be spoken at your graveside and later will post it here. Your family earthbound and those proceeded as well as your accomplishments need to be mentioned for they are remarkable. (Will, you know me, yes what I think needs to be said will within content) I love you. I hope the aides and I helped keep you as comfortable as could be at the end. Hey, did the Banana Slurpee help take the nasty taste of the pain meds? As always I want you comfortable. Be ready to hear my stories at your graveside. Oh just moments ago 800 pm today 8/5/19 Lisa Koivu brought beautiful flowers. She gave her condolences and mentioned she was sad I lost the better Brother. Will you know it to be true. Until then Love you Sis, Cindy

PS Give Dad my love let him know his amazing abilities passed to his first grandson and we understand.
